We have canceled the event. [REDACTED] is too unprofessional for us to be risking working with [REDACTED]. If you would like to still meet on Friday, we are all still free.

Rene,

I am sorry that [REDACTED] from Patriot Pray contacted you and was so pushy. I was unaware that [REDACTED] would do this, in fact I specifically told [REDACTED] that [REDACTED] would not be present in the planning between the school and the College Republicans. It was incredibly out of line for [REDACTED] to attempt to go over our heads in order to bother you and attempt to expedite the process. I will make sure [REDACTED] gets the message, and I will contact you again soon.

Thank you.
